Education

Central Philippine University

Bachelor of Science in Information Technology

Iloilo City, Iloilo

2023

Technological University of the Philippines

STEM

Dasmarinas, Cavite

2018

Experience

StackTrek Enterprise Inc.

Web Dev Intern

Iloilo City, Iloilo

February – May 2023

- Contributed to a collaborative web development project with a focus on frontend development
- Conducted quality assurance testing to identify issues and improve user experience
- Assisted in debugging and optimizing frontend functionality during development

Projects

Restaurant Management Dashboard

ReactJS, Tailwind CSS, Shadcn, Typescript

- Built a responsive dashboard interface for tracking restaurant sales and branch performance, improving data visibility and management efficiency
- Implemented reusable React components for sales cards, tables, and branches
- Developed CRUD functionality for managing menu items and dashboard data
- Organized mock data structures and state management for dynamic UI updates

Authentication Login System

ReactJS, Supabase

- Implemented login and signup authentication system using Supabase and React

Tech Stack/Core Skills

Frontend Development: HTML, CSS, JavaScript, ReactJS, Tailwind CSS, Responsive Web Design, Shadcn/UI

React Concepts: React Hooks (useState, useEffect), React Router, Conditional rendering, Component Reusability

Backend / API : CRUD Operations, REST APIs, Supabase Authentication
